Dear Parents

We have been very blessed this term to have welcomed a number of new families to our school. In welcoming them to our school community I also felt it appropriate to share the staffing structure at St Paul's for if you have a concern about your child, or any query, it is important to speak to your child's class teacher in the **first instance**. The flow chart below shows the process that must be followed.

Mrs Were is available to discuss anything relating to inclusion Monday to Thursday.

Please remember that time during the school day is spent with your children and therefore calls to parents will be made outside of teaching time.

Yours faithfully

Z. S. Killick
