ONLINE SCAMS

Hi everyone

This week we want to tell you about online scams!

Don't believe everything you read online.

What does this mean?

5 Key tips

- 1) Think before your click
- 2) Check who has sent you the message/email
- 3) Keep your personal details private
- 4) Check the sender's email - emails can be faked!
- 5) Check the spelling - there are often spelling mistakes in scams

CAN YOU SPOT THE FAKE?
