

Internet Use at St Paul's

During your child's time at St Paul's, they will be using our computing systems for many different things including accessing the World Wide Web (WWW)

1 **What systems are in place to filter and Monitor Internet usage?**
At St Paul's all of our internet is provided by Portsmouth City Council, who use robust filtering and monitoring software. Within every lesson an adult will also be monitoring internet use as with any filtering system they are not all 100% accurate.

2 **What will my child be doing online?**
Whilst at St Paul's your child will be using the internet in a wide variety of ways. The children will only be able to access sites that have been checked by their class teacher and that support their learning.

3 **Who from school might interactive with my child online?**
Seesaw - Child's teacher or TA - through written, voice or video comments
TTROCKSTARS - Child's Teacher or TA
Online Tutoring - External Teachers - monitored fully by a member of St Paul's staff

4 **What websites will my child have log on details for?**
Oxford Owls - Online Library
TTRockstars - Times Table Practice
Scopay - ordering their dinners
MyEd - Messaging app used by Parents

5 **How does the school communicate with parents online?**
School Website
MyEd - School App
Facebook page
