It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2020** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until July 2021:	Areas for further improvement and baseline evidence of need:
<p>Increased confidence, knowledge and skills of all staff in teaching PE and sport:</p> <ul style="list-style-type: none"> Continued CPD for staff, of high quality gymnastics provision for each year group for half a term (2nd PE lesson a week) led by a professional gymnastics coach to improve and up-skill the teachers in this area of PE and improve pupil's physical participation in areas of the PE curriculum Real PE training given to all staff and a revisit training session given to focus on assessment and what REAL is for future staff in September. <p>Broader experience of a range of sports and activities offered to all pupils:</p> <ul style="list-style-type: none"> Specialist sports coaches were successful including dance and Karate as well as Pompey in the community completing certification with Year 5. Continued to provide Swimming lessons for all year 6 pupils in order to ensure a higher % meet NC expectations at the end of KS2 Increased participation in competitive sport: Year 5 and 6 Play leaders trained and successful in activities for change 4 life. After school clubs developed and run successfully and trialed lunchtime provision The profile of PE and sport is raised across the school as a tool for whole-school improvement: Key involvement in Hampshire School Games throughout lockdown period and HSG week. Pompey in the community worked with Year 5. Hosted Summer club for 3 weeks by PSSP with free spaces for vulnerable families. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school: Sports offered at breakfast club/playtime/lunch time/ after school clubs/PE lessons led by Teacher/ specialist PE coach 	<ul style="list-style-type: none"> Pupil CPD will ensure that they can take responsibility lead and oversee the lunchtime activities, so that children have the opportunity to engage in quality exercise during lunchtimes. All school staff will run half termly after school clubs following feedback from pupil voice. Opportunities for Karate and Dance will continue. PP children will receive funding through pupil premium funds. Purchasing of sports equipment will be monitored and purchased as required to facilitate PE sessions. Change for life to continue with the greatest needs being priority to target. Following this, going forward we will assess the health needs of each year group and prioritise. Morning re-launch of the golden mile for KS2 children and regular facilitation for KS1 across the school week. Staff CPD on 'Brain Break's will be put in place so that children's brain activity is stimulated and re-energised. PE to team teach and develop confidence with identified staff to support in certain elements of PE: priority will be given to ECTs and those who require extra support. PE leads to observe and support staff with bespoke CPD where identified as being required. Lunchtime activities are chosen by the children through Pupil Voice. Raise the profile of sports captains and leaders to ensure that they provide adequate support for pupils at lunchtimes and beyond. Change for life to continue with the greatest needs being priority to target. Following this, going forward we will assess the health needs of each year group and prioritise. Following pupil voice, children are exposed to a range of new experiences which they have chosen. Children are prepared in advance for Hampshire school game events so that they feel confident and ready to compete. Participate in swimming events run by Hampshire School Games (not taken place since 2019) -Engagement and participation of games at lunchtimes motivates and supports positive experiences . Continue to form a strong sport cluster increasing opportunities and events across year groups and schools.

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	82%
