

In **Literacy**, this half term we are reading stories to help us learn about being respectful of others and appreciate others.

We will be looking at stories about key workers like 'Hospital Dog And stories from different cultures such as 'Shu Lin's Grandpa'.

In writing we are applying our phonics knowledge to our writing labels/captions and simple sentences.

### We All Matter

We will be exploring how everyone matters in our community through our learning on Keyworkers and looking at how others live.

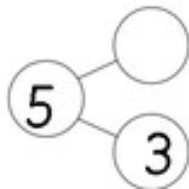

Dear Parents,  
Please make sure they read at home **every** day.

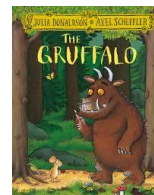

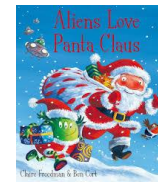

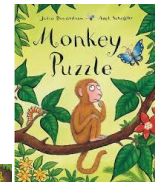

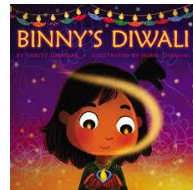

In our **PSED** learning we will be talking about accepting the needs of others and showing sensitivity to others feelings. We will be taking turns and learning to share resources.

In **RE** we are reading the Revelation story. This will show us the future hope and importance of living out our Catholic Social Teaching We are talking about the story and beginning to write simple sentences.

In **Maths** we will be working on deepening our understanding of working with numerals up to 7. We will be recognising and writing numerals. We are introducing the whole part model and number lines so the children can easily see composition of numbers and number bonds

### Last half term we read:

In **Knowledge and Understanding** of the World, we will be exploring Chinese New Year. We will also be about inspirational people such as astronauts, vets and captains who live out Catholic teachings in our
