

Outcomes for this half term

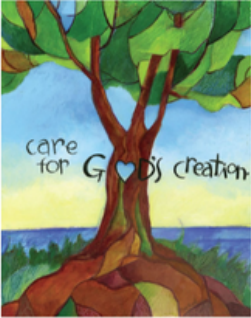

Oracy: We will share our knowledge of sealife to parents at the end of term: our rainbow fish creations, knowledge of penguins through Science and our core text.

We will know how the seasons change God’s creation around the world and will begin to understand our wider planet.

Autumn 1
Topic
God's Creation

Catholic Social Teaching Focus
Care for God's Creation

British Values Focus
As we learn to care for God's creation, we will be encouraged to show mutual respect and tolerance for all.

St Paul’s Year 1&2 Curriculum Map

Autumn 1

Catholic Social Teaching Focus: Care for God’s Creation

RE

Mission statement - We will be learning about our school statement ‘Do everything with Love’

Class saint - We are learning about our class Saint, Saint John and Saint James.

Creation - We are learning about all of God’s creations

English

Reading

In Year 1, we will be exploring the books ‘Rainbow Fish’ and ‘Lost and Found.’

We will use these texts to embed our phonics sounds alongside practising our letter formation.

Year 2s will start the year looking at sentence composition through Grammarsurus.

Maths

In Year 1, we will be learning to count, compare and order numbers to 10. We will use the symbols <, > and = to compare. We will then learn to add and subtract with numbers to 10.

In Year 2, they will look at Place Value within 100. They will add and subtract within this too.

Science

Our Science topic is Seasonal Changes.

We will learn about the different seasons and what the weather and temperature are like during these times.

Art and Design

We are using different art materials to design and make our own collage rainbow fish.

We are learning to mix and match secondary colours to make autumn trees.

Computing

Creating Media - Digital Painting

In this unit the children will develop their understanding of a range of tools used for digital painting. They will create their own digital paintings, whilst gaining inspiration from a range of artists’ work.

Music

We will be exploring percussion instruments and matching them to different characters in the story.

We will be learning a Rainbow fish chant and different songs for the characters.

History/Geography

We are learning to identify different seasons and weather.

We will name and locate the four countries in the United Kingdom using atlases and globes.

Physical Education

We will use Unit 1 of our REAL PE where we focus on our personal skills and how to follow instructions and keep trying. We will practise our footwork, for example hopscotch and moving in a zigzag.

In addition, we will begin REAL Dance. We will learn how to make floor and standing shapes and progressing to a repeatable pattern.

PSHE

In our PSHE lessons, we are learning how we are different and unique. We will explore questions such as: What we like and dislike? What makes us special? What is the same and different about me? We will be looking at differences between ourselves and our friends.

My Happy Minds

The children learn about three key parts of their brain; Hippocampus, Amygdala and Prefrontal Cortex. We call them Team H-A-P for short and how they each have a special role.

Exciting Events, Trips and Visitors

Team Building during transition.
