**St. Paul's Catholic Primary School**

**'Do everything with love'**

First letter of St Paul to the Corinthians 16:14

## Welcome to This Week's Newsletter

Year 3 and 4 celebrated the liturgy of the Word with Father Andrew on Wednesday. It was wonderful for so many children to participate and lovely how respectful and reflective the children were. Thank you to all the parents who were able to join us. It helped to make the event even more special.

## **NURSERY**

The children have settled really well into their first full week of nursery. They have enjoyed exploring and discovering the different inside and outside environments. We also have a lovely new colourful and exciting book corner.

## Year 6

This week in RE we wrote about our school mission statement for new parents to our school community.

*"Welcome to our school. We are sure that you will be very happy here. Our school mission statement is 'Do Everything with Love'. St Paul wrote this in a letter to the Corinthians and the mission is at the heart of our school in all we say and in all we do. The purpose of the mission statement is to make our school a better place and each and everyone of us better individuals. Just as Jesus did, we strive to do everything we can with love. Our mission statement ensures that we all feel safe, cared for and valued. For me, the mission statement makes me feel heard and that I matter. Our school is a warm and welcoming place for everyone.*

*The mission statement makes a huge difference to our school community and makes it a fantastic place to be. There are many ways that you can show our mission statement: leading by example, being honest, being humble, using your manners, checking in on others or just a simple smile.*

*Just these little things make such a difference to our school and make it the kind and loving place we all love."*
