

Tech THURSDAY

Autumn 1 Newsletter
1

Welcome to this week's Tech Thursday, brought to you by your Computing Ambassadors! We are a group of pupils from across the school working together to share the latest online safety news, helpful tips, and digital trends with the St Paul's community.

Why are We using Avatars and Usernames?

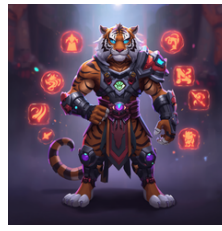

Cyber Chip

Password Hero

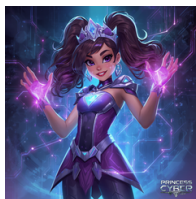

Detective Fact Finder

Game Guardian

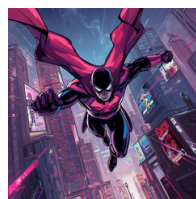

Friend Finder Spark

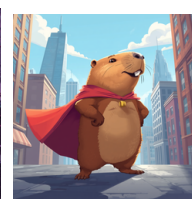

Princess Cyber

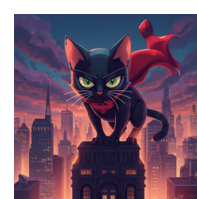

Game Protector

Glitch Guardian

Pixel Pete

Misinformation Cat

- **Protects Identity:** Keeps full names and real locations hidden from strangers online.
- **Limits Digital Footprints:** Prevents real photos from being downloaded, shared, or altered by others.
- **Stops Scams & Impersonation:** Makes it much harder for bad actors to target children using personal details.
- **Deters Online Bullying:** Removes the risk of appearance-based comments or harassment.
- **Fun & Safe:** Lets children express their creativity without compromising their privacy.
